BUILDING THE ANNUAL REPORT OF THE COUNTY AGENT FROM HIS
MONTHLY REPORT TO THE LEADER.

Attached is the blank form of the monthly report of the county agent to the State leader as used in Arizona. This system was worked out by County Agent Leader Cook last year and has been further improved upon this year. It has the advantage of building for the annual report of the county agent month by month as he sends in data to the State office. The blanks were the subject of much favorable comment at the meeting of county agent leaders held in Washington in June. Director Cook will doubtless be glad to answer any questions of detail that may not be clear from an examination of the blank.
